Hello Lucita,

Last week, we received the transcript of Encana’s aquifer exemption hearing before the WOGCC on March 12. I spoke with WOGCC staff last Friday and understand that they sent the transcript to EPA. Please let me know if you did not receive the transcript – if not, I will forward it to you right away.

My clients and I would be interested in meeting with you and your client group, at your convenience and as early as this week, if you agree that a meeting would be helpful.

Thanks again,
Walter
